REMARKS

Examiner Tso has indicated the originally filed claim 2 of the present application is deficient for formal matters. For the reasons which follow, applicant respectfully traverses this deficiency noted by the Examiner. The applicant does, however, wish to extend appreciation to Examiner Tso for the quite detailed review of the claims of the present invention leading to the finding of patentable subject matter of the originally filed claims of the present application and an indication of the allowance of the present application if claim 2 is rewritten.

Claim 2 has been amended in a manner believed desired by the Examiner. It is respectfully submitted that the above application is in condition for allowance. Such favorable action is respectfully requested.

Respectfully submitted,

Lu-Ta Liu
